Introduction

Village Green of East Dundee offers independent condominium living for people 55 and over along with many available services. As an owner, you are a decision maker. A board made up of owners along with several standing committees gives direction and guidance to the community. We invite you to explore the fine options for living in this friendly group of active senior adults.

Among the common areas available for residents to enjoy are resident dining room, private dining room for special occasions, formal living room with fireplace, chapel, music area, and the sun room. Our library offers an interesting variety of reading materials, as well as a computer. The game/card room is also usually a busy place. The fireplace in the social room makes it a warm and welcoming place to sit and visit.

Separate health care service is available. The exercise room has equipment to keep you fit. Other amenities include: Beauty/Barber shop, country store, on-site banking, beautiful landscaped courtyards and grounds.

Staff is available on-site 24-hours, private mail boxes along with designated parking for guests rounds out the list.
